ELECTION

BUCKINGHAMSHIRE COUNCIL 1st MAY 2025

GREENBELT

Protecting Greenbelt will be a major priority for me, and I will do my best to protect all our open spaces and areas of beauty to prevent over development and exploitation of our countryside. I know how much we all value the areas we live in, and my ambition will be to work to deliver a local plan in both Gerrards Cross & Denham.

FIX POTHOLES & HIGHWAYS

Our roads, pathways and highways have suffered neglect for over 25 years, and it's totally unacceptable that we have to drive on severely damaged roads. I won't promise I can fix things overnight, but you do have my commitment and pledge that I will negotiate with Buckinghamshire Highways and work with the Officers to get potholes filled, resurface our abysmal roads and highways and try and improve pathways.

SCHOOL SAFETY

School drop off's and pick ups are part of a parent's daily routine and we all have to accept responsibility and respect restrictions on parking in and around our Schools. Cars with idling engines simply aren't acceptable polluting the air and creating CO2 outside schools is a no go. Cleaner air with slower speed zones around Schools must be a consideration. Parent's need to feel that their children are safe going to School every day, and I will do my best to make this happen.

DENHAM TRAFFIC

As we know heavy increased traffic flowing through Denham as a result of the M25 becoming impassable causes huge problems. Many lorries drive through Denham carrying mud on their wheels dropping detritus and creating dust and mud blocking the drains. There is no easy answer, but I will prioritise road and gully cleaning and do my best to improve the road infrastructure through the middle of the Town. The immediate cut through heading north must be maintained to a higher standard by whatever measures are required. I will do my best to deliver on this promise.

ADULT SOCIAL CARE

Social Care for the elderly has become an essential part of our lives, as people are living longer and to an older age. We have to recognise the need to improve our general health and wellbeing, and I will be working with our local Primary Care Networks with an aim to deliver improvements on your Doctors Practice experiences, and to increase awareness of exactly what a Primary Care Network can do for you.

POLICING

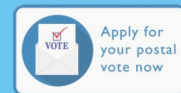

The chaos and confusion recently caused by the issues on the A413 as a result of Horse & Trap Racing is why Policing and communication will be at the heart of my promise to work closer with Thames Valley Police. People need to know and feel that the Police are involved in our local communities. I'll be asking for more visibility and more Police patrols and presence in both Gerrards Cross & Denham. We must deter opportunists exploiting easy targets in both of our Towns.
